## Lightbulb Greetings

Welcome to one of the largest global invention innovation hubs, Seoul, Korea!

It is my great pleasure to introduce the 2025 Seoul International Invention Fair (SIIF). The SIIF is one of the largest invention fairs in the world, and an official exhibition of the Korean government, and offers four days of high-quality inventions and networking opportunities.

Since 2002, the SIIF has served as a platform for inventors and breakthrough technologies from all around the world and aims to publicize superior inventions, broaden sales channels for patented products, and support global marketing.

At SIIF 2025, you will have the opportunity to meet with business partners and investors, and attend new market entry consultations on IP commercialization.

Together we will explore the new possibilities available to you in Seoul, Korea!

Korea Invention Promotion Association  
President **Kim, Shi Hyeong**
