

The Sixth International Invention and Innovation Competition for IFIA INV title holders

Virtual and online Event - IFIA Headquarters, 3 to 5 July 2026, Geneva, Switzerland

FREE REGISTRATION

REGISTRATION FORM

To be returned as soon as possible and not later than **10th Jun 2026**.

**The 6th International Invention and Innovation Competition for
IFIA INV Title Holders**

Virtual and Online Event, IFIA Headquarters, Geneva, Switzerland

REGISTRATION DEADLINE:

10th JUNE 2026

The applications submitted
after the registration deadline
will not be accepted.

EXHIBITOR

Name of Inventor(s): (Name and SURNAME)

.....

Address

INV Certificate Number Town or city Country.....

Telephone Mobile

E-mail Fax

INVENTION * Please note that each member is allowed to submit only one invention at this event.

Title of Invention.....

.....

How would you describe your invention in three lines? 3 lines maximum (180 characters)

.....

.....

.....

What is the purpose of your invention?.....

.....

.....

What aspect of your invention is your patent on?.....

.....

In which class do you consider your invention should be placed? (see classes indicated in next page)

(The organizing committee retains the liberty of changing the invention's category in case need be)

--	------	------

*** Please note that each member is allowed to submit only one invention at this event.**

This event is exclusively open to inventors and innovators worldwide who hold the official INV Certificate issued by the International Federation of Inventors' Associations (IFIA). All INV title holders are eligible to register and participate in this global competition free of charge.

I, the undersigned agree to abide by all points regulations in this Entry Form as well as the competition regulations.

Date Signature

It should be noted that the results of the competition and the type of medal will be stated in the electronic certificate and there will not be a physical medal whatsoever.

All winners in this event will receive a certificate (Gold, Silver and Bronze) issued by IFIA via e-mail enrolled at the time of registration in electronic format. **If the winners want to receive the original certificate, they would have to proceed through the local federation representatives in their countries participating in this event.**

INVENTIONS CATEGORIES:

Class A / Mechanics – Engines – Machinery – Tools
– Industrial Processes – Metallurgy

Class B / Computer Science – Software – Electronics
– Electricity – Communication Methods

Class C / Building – Architecture – Civil Engineering
– Construction – Materials – Wood Technology

Class D / Sanitation – Ventilation – Heating –
Air Conditioning (HVAC)

Class E / Security – Safety – Rescue – Alarm
Systems – Surveillance

Class F / Household – Home Appliances – Nutrition

Class G / Commercial – Industrial – Office
Equipment – Business Solutions

Class H / Agriculture – Forestry – Gardening – Pet
& Livestock Supplies

Class I / Traffic – Transportation – Automotive
Technologies – Vehicle Accessories

Class J / Medical Technology – Medicine – Hygiene
– Cosmetics

Class K / Graphic Arts – Design – Advertising

Class L / Education – Research – E-Learning

Class M / Games – Sports – Leisure

Class N / Artificial Intelligence (AI) – Internet of Things (IoT)
– Smart Systems

Class O / Energy – Renewable Energy – Green Technologies
– Energy Storage

Class P / Paramedical – Health – Hygiene – Food Products –
Beverages – Cosmetics

Class Q / Biotechnology – Genetic Engineering – Life
Sciences – Biomedical Engineering

Class R / Environmental Protection – Sustainability – Waste
Management – Recycling

Class S / Robotics – Automation – Mechatronics – Drones

Class T / Nanotechnology – Advanced Materials – Smart
Materials

Class U / Aerospace – Aviation – Space Technologies –
Satellite Systems

Class V / Marine & Ocean Technologies – Naval Engineering

Class W / Smart Cities – Urban Technologies – Infrastructure
Innovation

Class X / Blockchain – FinTech – Cybersecurity – Digital
Infrastructure

Class Y / Quantum Technologies – Advanced Computing
Systems
